HSIM Chandigarh Pre-Launch Workshop

Research, Recommendation, Agenda aur Offer Math

1. Format: Event, Workshop ya Seminar?

Recommendation: 2-din ka paid "Skill Sprint" workshop (Sat-Sun, offline, Chandigarh venue).

- **Seminar nahi:** student sirf sunta hai. Rs.999 refund promise tabhi safe hai jab student haath se kuch bana ke jaye.
- **1 din nahi:** ek din mein "value" aur "test" dono dena mushkil hai.
- **3 din nahi:** college/coaching wale students ke liye 3 din mushkil, aur "poora attend karo" wali shart toot jati hai.
- **Offline rakho:** naya center launch ho raha hai, students ko center aur team dikhni chahiye. Competitors ke workshops online aur free ya Rs.199 wale mile.
- **Registration 450-500 tak lo:** paid ticket par bhi sab nahi aate. Yeh practical rule of thumb hai, India ka verified show-up data nahi mila.

2. Topic: HSIM kis par seminar kare?

Option	Verdict
Digital marketing ka scope	Theory hai, har institute yahi bechta hai. Sirf 20 min ka opening rakho.
Technical (SEO, Ads deep concepts)	Pehle din hi bore karega. Course ke liye bacha ke rakho.
AI + Digital Marketing se kamai	**Yeh chuno.**

Naam (suggestion): "AI se Kamao: 2-Din Digital Skill Sprint"
Promise: 2 din mein AI se ad, video aur apna pehla client pitch banana seekho. Value nahi mili to Rs.999 wapas.

Research findings

- Marketing hiring 2025 mein 14% badhi; AI skill wale marketers ko tarjeeh mil rahi hai (institute blogs: Impact DM Institute, PDMTI). "1-2 million jobs" jaise numbers ka primary source nahi mila.
- Short video / AI content editing beginner-friendly entry point hai; Chandigarh mein Reels editor ki freelance requirement dikhi (Physics Wallah). "329% growth" figure unsourced hai.
- AEO/GEO (ChatGPT aur AI search mein naam aana) ubhar raha hai; Google ke hisaab se yeh SEO hi hai. Agencies Rs.75K-3.5L/month retainer maangti hain (eMarketer, upGrowth) - yeh agency marketing numbers hain.
- Chandigarh/Mohali mein courses Rs.22,000 se Rs.1.5 lakh tak (Kraftshala, PDM NextGen). HSIM ka Rs.48,000 + GST beech mein hai.
- Competitor workshops: free 2-hour sessions (StartupGrantsIndia), Rs.199 ka 1-hour session (Fast-tech). Rs.999 ka 2-din offline workshop nahi mila.
- Paid workshop se kam log aate hain par zyada serious hote hain (Fit Business). India ka conversion benchmark nahi mila - pehla batch hi aapka data banega.

5. Offer ka math

Assumption: discount Rs.48,000 par lagega, phir 18% GST add hoga.

Group	Discount	Fee	GST (18%)	Student pays
Top 3	100%	Rs.0	Rs.0	**Rs.0**
Rank 4-100 (97 students)	20%	Rs.38,400	Rs.6,912	**Rs.45,312**
Rank 101-300 (200 students)	10%	Rs.43,200	Rs.7,776	**Rs.50,976**
Full fee (reference)	-	Rs.48,000	Rs.8,640	Rs.56,640

Illustrative scenario (meri assumption, verified benchmark nahi):

- Workshop collection: 300 x Rs.999 = Rs.2.997 lakh (GST-inclusive maanein to net approx Rs.2.54 lakh).
- Admissions: 97 wale group se 15% (approx 15), 200 wale group se 6% (12). Top 3 ko free seat.
- Course revenue: 15 x Rs.38,400 + 12 x Rs.43,200 = approx **Rs.10.94 lakh** (GST se pehle), approx Rs.12.9 lakh GST ke saath.
- Refund 5-10% maanein to Rs.15,000-30,000.

- Venue, speaker, marketing aur payment gateway (~2%) ka kharcha upar se; budget abhi nahi liya.

6. Dhyan dene wali baatein

- **Sabko discount mil raha hai (3 + 97 + 200 = 300)**, isliye "10% off" special nahi lagega. Offer ko 48-72 ghante ki deadline do.
- **Refund rules likhit rakho:** poore 2 din attend karna zaroori, QR/biometric attendance, claim 24-48 ghante mein form se.
- **Test fair ho:** Top 3 ko free course milega, cheating ka incentive hoga. Proctoring rakho aur tie-break rule pehle se likho.
- **GST wording:** "100% scholarship on course fee" likho aur GST treatment T&C mein saaf karo.
- **Collateral:** curriculum PDF par Karnal address hai; Chandigarh launch ke liye alag collateral banana padega.
